## Salt Lake DSA

# Core Beliefs

The Democratic Socialists of America (DSA) is the largest socialist organization in the United States. Your local Salt Lake chapter is 100% volunteer-based and as democratic socialists, believe that our economy should be built

democratically,

by and for working people,

not by billionaires for profit.

We know our economic system is rooted in white supremacy and the capitalist class depends on racism to divide and oppress the working class.

## Join Us

## Committees

**Coordinating Committee:** The elected leadership at annual convention to manage the chapter's internal items.

**Campaign Committee:** Leads the priority campaigns such as the SLC Social Housing campaign.

## Working Groups

**Labor:** Heard of UPS or Starbucks workers striking for better working conditions? Join to learn more and show solidarity.

**Electoral:** Fan of Bernie or AOC? Get involved in our work to get DSA members like these voted in.

**Poli-Ed:** New to "leftism" or already read the entire library? Stop by to grow your class consciousness.

**Tech:** Love open and not getting your data sold to Google? Help build infrastructure like this!

More working groups yet to officiate as member interest increases.

## Campaigns

Each year at local convention, chapter members vote on priority campaigns to dedicate chapter resources for a year.

### **SLC Social Housing Campaign**

Goal: Secure funding for a public housing developer in the SLC budget by pressuring:

- The mayor to adopt this into the city budget.
- The SLC City Council to approve the budget.

### **Want to Start a Campaign?**

Any member can submit resolutions and campaigns, join to find out how to get started!

The majority of organizing and work is performed by members like you.
